Services

What we do ?

Event Management

It is our uncomplicated approach to event management that allows us to orchestrate your events. Our services are designed to allow you to choose how best we can help stage your event from conception to completion. Our ability to listen to your needs and match them to our services is what makes us strong.

Multimedia

Content is something that is often overlooked when staging events. We feel that what you say, how you say! And the way your messages are treated, arguably the most important aspect of any function.

We could advise on presentation build, video production (story boarding, location filming & video editing) and flash animations, to name just a few Media's.

We could offer advice on interactive audience participation through remote keypads or laptops or just design a slide template that hits your brand and provide a professional and fascinating experience.

We Also Do

- Designer Stalls
- Graphic Designing
- Promotional Items
- Product Launches
- Large Format Digital Printing
- Banners & Pennants
- Stage, Sounds & Lighting
- Hoardings, Boards & Signboards

Productions

Television Commercials

To sum up the advertising package, we have also the facility of producing Television Commercials and obtaining Television Coverages of special events / promotions. We also outsource the services of other Production Companies for Documentaries and other related services for various specialized services. Here too we could obtain special services and facilities from the Maharaja Television Company for programming and scheduling, which is a leading and No:1 Television Channel in the country.

Radio Jingles / Commercials

We are also geared to handle the production of Radio Jingles and Commercials as a facility to our clients. For this purpose we have outsourced the services of recognized Production Companies who are of high repute. Further may we also state that we have established a very friendly relationship with the MBC (Maharaja Broadcasting Corporation) for radio production as well as scheduling.

Press Advertisements

AEC has extended another arm that handles Advertising & Promotions for all customers, thus making it a hassle free total package. We specialize in Press Advertisements in all three languages in all leading Newspaper Media Organizations – Broad-sheet as well as Tabloids. An excellent rapport has been established to even schedule advertisements at the eleventh hour. To expand our service further, we have the capacity to get newspaper articles published at no extra cost, subject to the requirements of the newspaper editors.

Professional **Stall Designer** In Your Exhibition **Show Your Performance**

With over 9 years of experience in the exhibition and event industry Asia exhibition & Conventions (Pvt) Ltd have the design creativity and experience in designing and installing builders stalls in different designs and patterns.

For a successful running of an exhibition, a major part depends upon how the interiors and exteriors can draw the attention of the visitors. Our company offers a wide array of attractive exterior designing services and erection of stalls services for various corporate and product launches. While designing and decorating the venue for exhibitions, we keep in mind the theme, taste and budget of the client so as to attain their complete satisfaction.

We are capable of rendering these services in varied sizes and shapes as per the client's requirements.
